Wan Bo Feng Lin Technology Development Company Limited
Total Acquisition Area of 122,933 Chinese Mu and Volume of Timber of approx. 800,000m³
At a Consideration of RMB 118,261,546**

**Committed to Acquiring More Forest Land
Further Increasing Land Resources and Timber Resources**

(Hong Kong, 22 August 2007) China Grand Forestry Resources Group Limited (“CH GRAND FOREST” or the “Group”) (SEHK: 910) announced that Beijing Wan Fu Chun Forest Resources Development Company Limited (“Beijing WFC”), a wholly owned subsidiary of the Group, entered into a transfer agreement on 21 August 2007 with Wan Bo Feng Lin Technology Development Company Limited (“Wan Bo Feng Lin”) for acquiring leasehold interest in forest land in Hunan Province, with total land area of 122,933 Chinese Mu (or approximately 8,196 hectares) for the leasehold period of 50 years and volume of timber vested with the forest land of approximately 800,000m³, of which mainly are planted with pine trees, fir trees and mixed hard wood, at a cash consideration of RMB 118,261,546 (Including Forest Tree Ownership and Use Rights of RMB 93,674,946 and Forest Land Use Right of RMB 24,586,600).

In accordance with this transfer agreement, an initial deposit of RMB 47,300,000 is payable to Wan Bo Feng Lin within 7 days after signing of the agreement; RMB 70,961,546, as the remaining balance of the consideration will be paid within 10 days upon completion of the acquisition when the forest ownership certificate is issued to Beijing WFC.

Mr. Ng Leung Ho, Chairman of the Group, said, “We are very pleased to enter into this transfer agreement with Wan Bo Feng Lin. In future, the Group will not only focus on hastening the implementation of land transfer agreements to increase its forest land resources and cope with the robust domestic timber demand but will also strengthen its research and development, actively enhance its business scale and operation efficiency to further consolidate its leading position in the ecological forestry industry and bring better return for shareholders.”

About China Grand Forestry Resources Group Limited (SEHK: 910)

The Group is principally engaged in the ecology forestry business and design, manufacture and sale of quality men's and women's wear and accessories. In view of the enormous market demand of timber and pulp in the PRC, the Group believes that the ecological forestry business is a good opportunity with favorable long-term prospect. The Group will focus its resources in developing ecological forestry business and becoming the industry leader.
